Covid-19 Update

Even though Covid-19 is still a major threat, the school is pleased to inform you that since the start of term 3, there has been no reported Covid-19 positive case among all our students and staff. All stake holders are encouraged to continue adhering to Covid-19 protocols to curb the spread of the virus.

On another positive note, both teaching and non-teaching staff have been fully vaccinated against Covid-19. Parents are also encouraged to take every available opportunity to get vaccinated.

All stakeholders are reminded that the Covid Vaccine is not a cure. People should continue to take good care of themselves and their families.

2021 Primary School Leaving Examinations

The Standard 7 class of 2021 sat for their PSLE (Primary School Leaving Examinations) from the 20th of October to the 27th of October 2021.

To date, the candidates have had three practice examinations in preparation for the final Exam.

The school is optimistic and hopeful that the current candidates will maintain and uphold the good standards that Legae is known for. We wish all our candidates the very best in their exam.

Upon completion of their exam, the Standard 7's continued coming to school for their Bridging course. The course includes:

- Training on Life skills,
- Introduction to Form 1 English, Maths and Science
- Advanced swimming
- Educational and recreational excursions

So far, the Std 7's went for a fun flight with Air Botswana as well as a wilderness training with Mokolodi Nature Reserve.

Legae English Medium School remains committed and resolute in providing quality education aimed at getting the best out of our students.

Horse riding is one of the initiatives aimed at building our children's confidence and appreciation of our co-existence with nature.

We remain hopeful that, with the lifting of Covid-19 restrictions, our Horse-Riding team will have the opportunity to display their talents either in demonstration sessions or competitions.

Lower School in Action: The school promotes diverse learning methods including the use of Art and Crafts.

LEGAE 1st Our Children 1st

Legae, as an International School, exposes children to different cultures that influence societies in the global village. This will equip the children with the necessary skills to help them appreciate how diverse our world is. This will also cultivate the element of tolerance and respect in our children.

End of Year Concerts

For the second year in a row, the school will not be able to host the end of year concerts due to Covid-19 restrictions. The school used these concerts to show case children's acting skills and proficiency while at the same time, developing their confidence and self-esteem.

Fees

Parents are reminded to pay all fees on time to avoid having their children taken out of class due to non-payment/late payment of fees.

2021 Fees are as follows:

Std 1 P9,500.00 per term

Std 2-7 P10,050.00 per term

Proof of payment should be sent to the school as soon as possible via email to:

Every Child Matters

It is the responsibility of every parent, guardian and Legae staff to ensure the safety, wellbeing and nurturing of our children.

Each one of us has a specific assignment and we should do all that is necessary for children to grow up in a conducive, safe and healthy environment. Children should be protected against physical, emotional, spiritual and psychological harm or abuse.

2021 Marimba Virtual Competitions

The school has participated in the 2021 Southern African Schools Virtual Marimba Competition. We are waiting with anticipation for the release of the results.

The school will continue participating in both national and international competitions and exhibitions in different codes. This will give our children the opportunity to have a feel of participating at international level while still young.

In addition to Marimba, the school is working hard to develop and enhance our traditional dance troupe. The troupe is expected to perform all of the different traditional dances found in Botswana.

Post SOE Sports and Recreational Activities

Following the lifting of the State of Public Emergency which was declared to help combat the spread of Covid-19, most activities that were suspended such as ball sports and swimming have been re-instated under strict Covid-19 regulations.

In addition to existing codes, the school has introduced new codes such as kick-boxing and archery. Other codes that were dormant such as fencing will be resuscitated.

All children are encouraged and expected to participate in at least one co-curricular activity. These activities help to enhance children's coordination and cognitive skills.

Parents should communicate with Class Teachers regarding suitable activities and the logistics behind joining the club.

Academic excellence

Legae's well equipped Science Lab, one of the many resources at the disposal of our teaching staff. Teachers were unable to fully utilise the Art Lab, the Library and the Science Lab due to Covid-19 protocols (physical distancing).

Besides that, teachers went an extra mile in ensuring that children get the best tuition ever. The school is pleading with all stakeholders to help contain/control Covid-19 so that our children can enjoy all facilities and resources that are available in the school.
