

10th May 2023

To the Legae Community,

We wish you a warm welcome back to Term 2!

A special welcome to all the new families that have joined us this term. We have experienced a delightful start to Term 2 and I have been particularly impressed with the ease in which our students have resumed their academic responsibilities. Students were visibly excited to catch up with their friends after the holidays.

There is an exciting buzz around school with the upgrading of our school ground. Our newly planted grass (Term 1) has taken on nicely and brings a refreshing and welcoming change to the area. Our new cricket nets are being constructed and should be accessible for use in the next few weeks.

Events and Activities

Our school has exciting activities lined up for Term 2 which include: sponsored walk, school trips, movie days, international holiday focus, ball games, dance, archery, horse riding, poetry recitation and so much more.

The afternoon activity programme will commence on Monday, 15th May 2023. Please note that Mondays, Tuesdays and Thursdays are reserved for development of sports codes and activities and all school students who would like to sign up for a sporting code/activity may do so.

Fridays are reserved for our school team training which is by invite from the coach/coordinator.

Parents as Co-Partners in Education

We recognise that our parents/guardians are vital partners in student learning. You affect your child's outlook to learning and their views of their teachers and subject matter. Providing a positive and supporting learning environment at home is important. It is vital that parents and teachers have good communication and collaborative relationships. Valuable communication between teachers and parents is necessary for student success and development. Please do not hesitate to connect with your child's teacher, if you have any concerns about their progress, learning or emotional and social wellbeing.

"Legae Primary, Celebrating 40 Years of Academic Excellence, It Should be Your School of Choice"

Cambridge Matters (Std 7 class Parents)

The Cambridge Primary Checkpoint Assessments are fast approaching and we are busy with entries. There are still some outstanding Examination Fees that have to be paid. Kindly make payment as soon as possible. If you haven't yet made payment, please contact the Admin Department and let them know when payment will be completed.

Student Corner

We wish all students and their families a wonderful and productive Term 2!

Kind Regards

N. Karodia
