

LEGAE POST COVID 19 MEASURES

Legae welcomed its students post lock down abiding by regulations set by The Ministry of Health. With the lifting of lock down, it is mandatory for each student to wear a face mask when on school campus. This also applies for all visitors who may enter the school. The following are pictures which demonstrate all the measures in place. The school is dedicated to the upkeep and safety of its children. Legae Primary, Every Child is Yours!
