

"Legae Primary, Celebrating **41 Years** of Academic Excellence, It Should be Your School of Choice"

4 September 2024

To the Legae Community

We welcome the Legae school community back to Term 3 and hope that all are ready for a wonderful and exciting school term!

A special welcome to the new families that have joined us this term. Students have eagerly returned to school and we can assure them that it is going to be an exciting and very busy term, as we have a number of interesting activities and events lined up (refer to Term 3 Calendar of Events). All programmes and activities have been carefully planned to develop your child/children in a holistic way so participation is encouraged.

Afternoon Activity Programme

The afternoon activity programme commences on Monday 9 September 2024. Kindly complete the Afternoon Activity enrolment form and have your child return the completed document to the respective class teacher, so that activity registers maybe completed.

Fridays are reserved for our school team training in sports, Olympiads, performances and Competitions. Participation is by invite only from coaches and coordinators, except for the Environmental club.

Environmental Club

Please note that there will be no Environmental club on Thursdays. Environmental club for std 1 to 6 will be held only on Fridays.

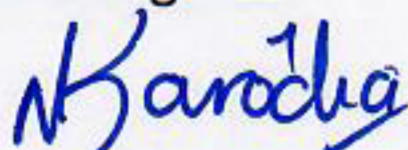

Family Fun Day

Our school Family Fun Day is scheduled to take place on Saturday, the 19th of October 2024. It is going to be an extremely exciting event. Students and parents are invited to attend with friends and family. There is a Family Fun Day advert on the back of this newsletter and more news and information will be forthcoming. We look forward to seeing you there!

Cambridge Matters (Std 7 Class Parents)

The Cambridge Primary Checkpoint Assessments are fast approaching and candidates will sit for their external Cambridge assessments in the second week of October 2024. **We wish our std 7 students everything of the best.**

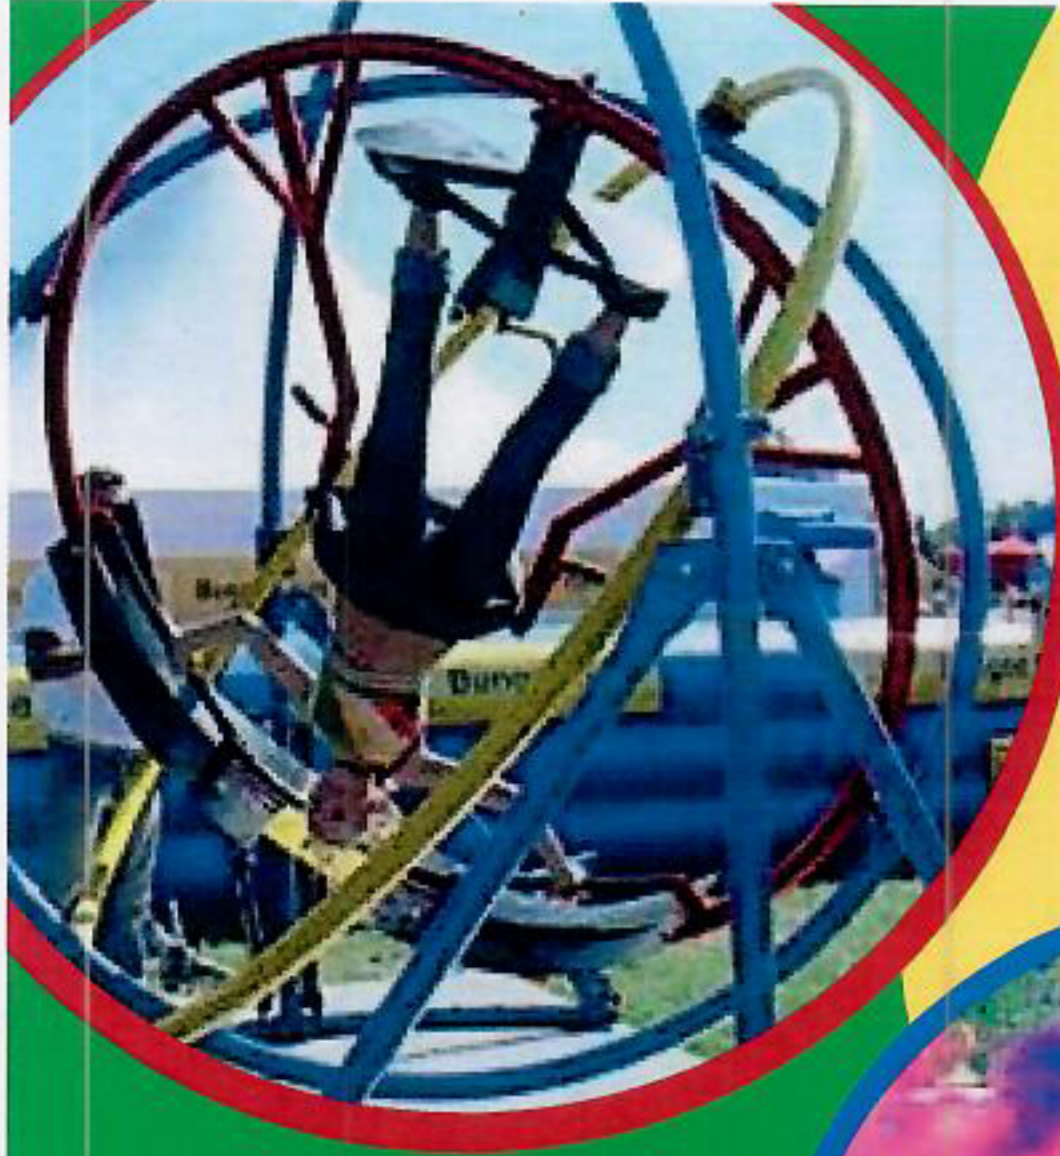

Kind Regards
